Drie verdagte persone is ook gearresteer in verband met 'n voorval in Simonswyk.

Enkele gevalle is ook in ander woonbuurte en op ander dae as Vrydae aangemeld. Die misdade is hoofsaaklik laat middag en deur die nag gepleeg.

Diefstal uit Motorvoertuie

Diefstalle uit motors het in September afgeneem in vergelyking met Augustus. Daar is slegs twee voorvalle aangemeld, een in die Jonkershoekvallei en die ander in die Simonswyk-buurt. Die voorvalle het in die laat middag/vroegaand plaasgevind, op 'n Sondag en 'n Dinsdag, onderskeidelik.

Ander nuus

'n Vermeende misdadiger is met behulp van die publiek en Jonkershoek SRA-lede in Uniepark aangekeer en gearresteer nadat hy items uit 'n woning gesteel het. Die samewerking van die WhatsApp groepe en die oordeelkundige gebruik van dié kommunikasiemedium het 'n groot rol in hierdie verband gespeel.

Die Jonkershoek SRA-lede het nog 'n persoon gevang vir die besit van gesteelde eiendom. 'n Verdagte is ook gearresteer vir die besit van dwelms.

Buite ons buurt

Misdaad wat buite ons omgewing gepleeg word, maar wat ons inwoners raak, sluit OTM-bedrog in. Wees waaksaam hiervoor.

Ons wil u ook waarsku dat roofaanvalle in die Botmaskop-omgewing gedurende naweke besig is om toe te neem. Neem asseblief kennis dat dit helder oordag gebeur.

Groete

September Report

House-breaking

In September house-breaking increased in the Jonkershoek Valley area in comparison with August.

Fridays stand out as the days on which the majority of house-breaks occurred. This happened during the day as well as during night time. A suspect who was linked to more than one of the house breaks in the Jonkershoek Valley was arrested.

Three suspects were also arrested in connection with the incident in Simonswyk.

A few incidents were also reported in other areas and on other days than Fridays. The majority of crimes were committed late afternoons and during the night.

Theft from cars

In September thefts from cars declined in comparison with August. Only two incidents were reported, one in the Jonkershoek Valley and the other in the Simonswyk area. The incidents occurred in the late afternoon/early evening, on a Sunday and a Tuesday, respectively.

Other news

An alleged criminal was arrested with the help of the community and Jonkershoek SRA members in Uniepark after he had robbed items from a house. The collaboration of the WhatsApp groups and the discreet utilization of this communication medium played an important role in this regard.

The Jonkershoek SRA members caught another person who was in possession of robbed items. One suspect was arrested for being in possession of drugs.

Beyond our neighbourhood

Crime that is committed outside our area but that affects our residents includes ATM fraud. Please be on the alert for this.

We would also like to warn you that robbery is on the increase in the Botmaskop region during weekends. Please take note that this is happening in broad daylight.

Greetings
