A. Sekuriteitsaktiwiteite

Gedurende die maand het die JSRA Sekuriteitsbeamptes die volgende suksesse behaal:

’n Verdagte wat betrokke was by ’n misdaad buite JSRA area is aangekeer en in besit van ’n gevaarlike wapen betrap. Die verdagte word vermoedelik verbind met ’n saak van aanranding om ernstig te beseer.

’n Verdagte persoon is op die kameras opgemerk. Die patrollievoertuie is ontbied en die persoon is opgespoor. Terwyl die voertuie by die verdagte persoon besig was, het ‘n inwoner van Simonswyk hulle genader en die beamptes meegedeel dat daar ’n verdagte persoon in sy en sy bure se erf was. Met die nagaan van die eienaar se privaat kameras, is daar vasgestel dat dit dieselfde persoon is wat deur die voertuie voorgekeer is. A. Security Activities

During the month the JSRA Security officials achieved the following successes:

A suspect who was involved in a crime outside JSRA area was arrested and it was also established that he was in possession of a dangerous weapon. This person is suspected of being involved in an assault with the intention to cause serious bodily harm.

A suspicious person was observed on our cameras. The patrol vehicles were dispatched and the person was tracked down. While the officials were investigating the situation with the suspect, a resident of Simonswyk approached the patrol vehicles with the complaint that a suspicious person was observed on his and his neighbour's premises. The resident reviewed his cameras and established that it was the person they were investigating. Neither of the residents was willing to open a case of trespassing against the suspect. The suspect was reprimanded and allowed to go.
